Call for Street Performers

ArtFest Fort Myers, Southwest Florida's premier out door juried fine art festival, is searching for street performers. New for our 2011 festival, ArtFest is planning several fabulous opportunities for street performers to surprise and delight festival patrons with their talent. Dancers, mimes, jugglers, actors, musicians and more are all invited to apply. These exciting opportunities to promote yourself to an audience of art patrons may occur at a pre-planned intersection, on a small stage, or in a park setting.

Please submit an image of your performance and a link to a music sample/you tube video to info@ArtFestFortMyers.com
