Terry Lynn's paintings have been exhibited in national and local juried art exhibitions. In addition, her work can be found in private collections across the country. She graduated from Phoenix Institute of Technology with a degree in production art and went onto study under Nina Conner. Terry Lynn's desire to pass on her passion and love for the arts lead her to begin teaching at Alliance for the Arts five years ago. Her very popular Tuesday class has been meeting on Tuesday ever since. She considers painting to be "better than chocolate".
